Footprints in the Sand

One night I had a dream. I was walking along the beach with the Lord, and across the skies flashed scenes from my life. In each scene I noticed two sets of footprints in the sand. One was mine, and one was the Lord's. When the last scene of my life appeared before me, I looked back at the footprints in the sand, and to my surprise I noticed that many times along the path of my life there was only one set of footprints. And I noticed that it was at the lowest and saddest times in my life. I asked the Lord about it: "Lord, you said that once I decided to follow you, you would walk with me all the way. But I notice that during the most troublesome times in my life there is only one set of footprints. I don't understand why you left my side when I needed you most." The Lord said: "My precious child, I never left you during your time of trial. When you see only one set of footprints, I was carrying you."

Obituary

On March 27, 1913, in Muskogee, Oklahoma, a darling baby girl was born to Samuel and Emma Hutcherson.

She was the seventh child of this union.

In the year of 1940, she moved to Los Angeles, California and met Harvey C. Jones. They united in marriage on September 7, 1943. To this union a darling baby girl was born.

Mother Jones was a devoted wife, loving mother and grandmother.

In the year of 1950, she was saved and filled with the Holy Ghost under the leadership of Elder W.D. Dickson at Bright Star Church of God in Christ. She grew spiritually and served faithfully.

Through her faithfulness, God called her to be a Missionary in the year of 1959. Later she became a licensed Evangelist Missionary and God blessed her to lead many souls to Christ, both young and old.

At Bright Star Church of God In Christ Mother Jones was an assistant Mother of the Mother's Board and a Counselor and Teacher of the Young Women's Christian Council.

She touched the lives of many people to the extent that they called her Mother Jones.

She taught by precept and example and was a great example of what she taught. She fought a good fight of faith until the Lord saw fit to call her home on September 19, 1986 at 11:00 p.m. at Little Company of Mary Hospital in Torrance, California.

She leaves to mourn her passing, her husband, Harvey C. Jones; daughter, Harvina Essex; son-in-law, Harold Essex, Sr; brother, Elder Hudy Hutcherson; two sisters, Frances Jackson and Helen Austin; two grandsons, Harold Essex, Jr., and Sean J. Essex, and a host of other relatives and friends.

Mother Jones' favorite song phrase which she wrote was, "Lord Don't Move The Mountain, But Give Me Strength To Go Through It." God led her through many mountains in her lifetime and now she is on the other side.
